

Marlboro Montessori

Summer Camp 2018, July Highlights

Call of the Buffalo Powwow!

Our campers kicked off the summer with the memorable Native American Indian activities.

Marlboro Montessori Summer Camp

July 2018

Splash Park

The hot, steamy days of summer didn't affect our campers. Running through the splash park or cooling off in the pool is the perfect way to beat the heat!

Outdoor Kitchen

Encourages creative play with lots of hands-on enjoyment for younger campers.

Our campers from toddlers through elementary have enjoyed many creative and high energy summer fun activities during the first month of Summer Camp 2018! For more camp photos, please visit: [Marlboro Montessori Summer Camp Photos](#)

Please remember, our camp doesn't end until **Friday, August 24th**. **ALL NEW CAMPERS ARE WELCOMED!** We welcome children from ages 2 through 8 years.

Miss Caroline will be here to include an academic review for Kindergarten and Elementary Campers. Swimming lessons will continue for the duration of summer camp.

A special thank you for the Montessori Summer staff for their hard work and dedication to ensure the safety and high energy and exciting activities for your children.

Please call 732-946-CAMP (2267) to reserve your spot!
